Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.
